Take some time to think about how you feel regarding the questions below. This is meant to help focus on particular areas involved in Baptism. This question maybe used during discussion prior to Baptism.

What is the greatest hope you have for your child’s life?

If you could give your child anything, what would it be?

What do you ask of God’s Church for your child?

Why does Jesus Christ matter to you and your family?

What special customs or practices do you have to celebrate and support your marriage or family?

What customs or practices do you have to celebrate the Catholic Faith?

Will the sacred promises you make at your child’s baptism inspire you to a new or renewed practice of the faith? If so, what might they be?
