Dear Friends,

On Saturday, August 4, the Church celebrates the feast day of Saint John Vianney. He is known throughout the world as the *Cure' of Ars*, the parish priest of Ars, France. He was born on May 8, 1786 and entered into eternal life on August 4, 1859. Saint John Vianney's youth was plagued by the anti-clerical Terror of the French Revolution and the rise of Napoleon Bonaparte. He was poorly educated as a child and struggled academically as a seminarian. Ultimately, though, he persevered and was ordained as a priest in 1815.

Saint John Vianney's humble beginnings and meager parochial assignment would not seem to be all that noteworthy. Yet, his zeal for God and spiritual insight as a Confessor led to Ars becoming a center for penance and religious conversion. He would often spend 12 to 16 hours a day in the Confessional and received upwards of 20,000 penitents a year.

In the life of Saint John Vianney, we find how God can use our simple gifts when offered to Him in faith. The *Cure' of Ars* was a champion of the poor and struggling, a beacon of hope extending God's mercy. He now is the patron of parish priests worldwide. As the Church, in many parts of the world, continues to experience a shortage of priests and religious, we turn to Saint John Vianney to intercede for us. As Jesus told His disciples: ["The harvest is abundant but the laborers are few; so ask the master of the harvest to send out laborers for his harvest."](#)

Let us pray, through the intercession of Saint John Vianney, that many more of the faithful will answer a vocational call to serve the Lord and His Church. May the Lord send laborers, with the zeal and merciful heart of the *Cure' of Ars*, for the rich harvest of the Kingdom!

In the peace and joy of Christ,

Fr. Mark

## WEEKLY MIRACLE

This week marks the beginning of a kind of "liturgical detour." We have been listening to Saint Mark's Gospel during this liturgical year (Year B). Today we begin to hear a long section from John's Gospel, starting with the miracle of the multiplication of the loaves and fishes. This miracle story is a prelude to the Lord's statements that we will begin hearing in a few weeks, in which Jesus refers to himself as the "bread of life." Each week we witness a miracle at Mass. We do not see a multiplication of loaves before us. What our eyes of faith allow us to see is the miracle of the transformation of common elements—bread and wine—into the Lord's Body and Blood. Once we have received the Lord, the multiplication begins, for in the Eucharist we are strengthened to multiply our efforts to feed the poor, shelter the homeless, and bring comfort to the despairing.

## FAITH FORMATION NEWS

### Grades 1-6

Some re-organizing has been done within the Faith Formation Office. Cindy Harrington is responsible for Grade 6! Classes will meet on Sunday mornings, from 10:10 – 11:10.

These classes will be focusing on the Bible. Rather than using a textbook, the students will be working directly from the Bible—learning about its development, the various genres of the books contained in the Bible, and the general story of the salvation of humanity. We will have videos, games, and other engaging ways to keep sixth graders interested. I will need 2 adults to teach this class on Sunday mornings. Please contact Cindy Harrington for further details!

Did you know...that our Sunday Mass is filled with many passages from the Bible? We hear a reading from the Old Testament, the collection of books written before Jesus was born. We sing a psalm, an ancient song which have been sung by Jews, Christians, and Muslims for thousands of years. Jesus himself sang these songs. We hear a reading from the New Testament, written after Jesus was resurrected. Then we hear the Gospel, stories of the life of Jesus.

We hear passages often within the other parts of the Mass. "Lord, I am not worthy to receive you under my roof" comes from Matthew 8:8, when the Centurion asks Jesus to heal his servant. These words are nearly 2,000 years old. The blessing "May the Lord bless you and keep you..." comes from Numbers 6:22-26, when God tells Moses how to bless his people. They were written down over 3,000 years ago! Yet these words still apply to each of us today. We call the Bible "God's Living Word", because they meant something to the people who first heard them ages ago, and they still have meaning to us today. The Word of God will never die.

For further information, please contact Cindy Harrington at 781-899-8434 or charrington@stjulia.org.

**THE FEAST OF THE ASSUMPTION OF THE BLESSED VIRGIN MARY** is Wednesday, August 15th, a holy day of obligation. Mass will be celebrated as follows:

**Wednesday, August 15th**

7:00AM St. Julia Church  
9:00AM St. Joseph Church  
7:00PM St. Julia Church

## THE LOAVES AND FISHES

John's Gospel notes the detail that the bread blessed and shared with the crowd are barley loaves. This is the food of the poor. It reminds us that God feeds and nourishes us, fulfilling our physical needs as well as our spiritual ones. In the Eucharist, we are sent to serve the poorest among us.

The story of the multiplication of the loaves and the fishes recalls a particular aspect of the Mass. In this miracle, Jesus transforms a young boy's offering of five barley loaves and two fish. In the offertory at Mass, we present the fruits of our labors, represented by bread and wine. These gifts, given to us first by God as grain and fruit, are returned to God in our offering of thanksgiving. God in turn transforms our gifts, making this bread and wine the very Body and Blood of Jesus. We also offer ourselves in this exchange, and we, too, are transformed by the Eucharist.
