LABOR DAY REFLECTION

The United States Catholic Conference of Bishops has highlighted the need for work and respect for laborers in the following prayer:

“As the sun rises to bring in the new day:

We remember those who descend into the earth, their work begins in darkness, pulling from the earth, the resources we steward.

We remember those who work inside a building away from the light and brightness of the day.

We remember those who work outside in the harsh elements of our world, the bitter cold and sweltering heat of extremes.

We remember those who do not have a job to go to, who are struggling to meet the needs of their daily living expenses, for whom the day becomes long and arduous.

As the sun sets to bring in the evening of rest:

We remember those who work in the night.

We remember those who are trying to recover from their labor and toils of the day.

We remember those who participate in unsafe and dangerous work. We pray for a renewed sense of dignity in their lives and in their work.

God, in your goodness, you have made a home for the worker. Make a place in our hearts for compassion to the men and women who labor tirelessly for basic necessities. Ensure a place for the men and women who are struggling to find work. Grant us your wisdom to greet and care for those who are unable to work due to illness or circumstances that prevent their participation. Be with the children who are not able to run and play, but instead must put in a hard day’s work to help their family afford to eat, to live. Be with us all, Christ Jesus, as we go about the busyness of our work. Hold us accountable not only for our actions, but most importantly to each of our neighbors. May we continue to work together to bring about your reign! We ask this in your holy name, through the power of the Holy Spirit. Amen.”

SEPTEMBER 9

First Reading — Be strong, fear not! Here is your God (Isaiah 35:4-7a).

Psalm — Praise the Lord, my soul! (Psalm 146).

Second Reading — Show no partiality as you adhere to the faith in our glorious Lord Jesus Christ (James 2:1-5).

Gospel — Jesus makes the deaf hear and the mute speak (Mark 7:31-37).

THE HIGHEST LAW

From time to time, newspapers and magazines will offer, as an item of “filler,” various laws that are still on the books but seem silly to us in our day and age. In one California city, it is illegal to have two indoor bathtubs in one house. Clean water, a precious commodity when the law was written, is now readily available, so the law seems silly. But the human value of protecting and preserving precious resources is still around, evident in many conservation laws that seem sensible to us. So it is with the laws of religious tradition. What Jesus scorns today is others’ attitude toward ritual laws, an attitude that becomes nearly idolatrous when laws are observed for their own sake. Jesus teaches that observation of external ritual laws is of value only when they are emblems of our internal disposition toward the will of God. Our whole lives must follow the one ultimate law of God: to love God completely and to love neighbor entirely. Roman Catholicism is a tradition rich with customs, traditions, and even laws. As we continue to listen to the voice of Christ, we must always look into our own hearts and underneath our ritual practices to make sure that love of God and love of neighbor are what we prize above all.
