NPH USA
Raising Children. Transforming Lives.

Immersion Trip to NPH Dominican Republic with St. Julia's Parish June 16 - 21, 2019

Join St. Julia's Parish and NPH for a one-week immersion trip to our NPH home in the Dominican Republic. Experience firsthand how NPH USA transforms the lives of children! You will meet the amazing children, staff, and volunteers of NPH and learn about their daily lives. Whether you are new to NPH, or a longtime supporter, visiting our homes is the best way to see what we do in action.

We will have the unique opportunity to stay at the NPH home with the children, in a newly constructed visitor's house. This will allow us to immerse ourselves in NPH life with the children and their culture. While the children are in school, you will help with the daily chores around the property, such as; working in the gardens and farm, caring for the special needs children, working in the kitchen and carpentry shop, and other jobs the home assigns. After a morning of work, relax and hang out with the pequeños in the afternoons. Activities will be coordinated with the children of different age groups throughout the week. Additionally, you will have the opportunity to meet with the leadership of the NPH home, tour all of the home's facilities, and hear from the children about living at NPH.

Note: An NPH USA chaperone will lead and oversee all travelers throughout the duration of the trip. All chaperones are background checked experienced volunteers.

Cost: \$1365 per person*

Cost includes:

- Pre-trip orientation
- On-site accommodations and meals at the NPH home
- Airfare and airport transportation
- NPH USA trip leader

About NPH Dominican Republic

Opened in 2003, NPH Dominican Republic is located 40 miles east of Santo Domingo, the nation's capital and largest city. Casa Santa Ana was constructed from 2004-2005 and has small group homes, each with its own kitchen and garden. The site is currently home to more than 200 children and also has a primary school, a farm, a clinic, a church and sports fields.
