

NPH Dominican Republic In-Kind or Locally Purchased Donations

Last Updated: September 29th, 2018

Monetary and in-kind donations are always welcome here at our home. Please speak with the Visitor Coordinator if you would like to donate to a specific area and have questions about current needs. In-kind donations may be purchased locally, in conjunction with a staff member once you arrive, can be brought with you, or can be bought online and sent to NPH (ask Visitor Coordinator for mailing address and detailed). If you bring the donations in your suitcase, the visitor coordinator will send you a form to show the customs officers at the airport. Below please find a suggested list of items most often used in our home. We have need for all of the items listed, but items that are **highlighted** are currently most requested. Questions? Please contact the Visitor Coordinator at vi.do@nph.org . Thank you ☺
