## **GOSPEL REFLECTION FOURTEENTH SUNDAY IN ORDINARY TIME**

This Sunday, Jesus reminds us that "the harvest is abundant but the laborers are few." As Catholic disciples, we are the laborers that the Master is sending. All around us are opportunities to share the love and mercy of Jesus Christ - our homes, our workplaces, our neighborhoods, even our faith communities! Lest we feel unequipped for the task, Jesus gives us some advice.

"Carry no money bag, no sack, no sandals." We might not have a theology degree or training in public speaking, but that doesn't mean we can't share the Gospel. The power of God is at work in simplicity. The disciples went forth with nothing as a reminder to trust in the Providence of God. Say a little prayer that God will speak through you and has a need for your gifts, just as you are.

"Do not move about from one house to another." So much of the life of Jesus was about relationships. He modeled this attitude by journeying with his disciples. Here he makes the same recommendation to them, to remain with the same family for their entire stay in the town. Break bread with others. Invite them to coffee or a game night in your home. Sharing your faith isn't just about saying the right thing, but loving well over time.

"The dust of your town that clings to our feet, even that we shake off." Sometimes we want to help someone, but for whatever reason, they don't receive it well. Sometimes people aren't interested in our efforts to invite them deeper into faith. When rejection happens, don't carry it with you. Don't let it overburden your heart. Rejoice that you share in the mission of Christ, and keep on loving the next person he places in your path!

# This Week

**Friday, July 12**

Adoration, 12 Noon— 1PM, St. Julia Church

The St Julia Parish St Vincent DePaul Society (SVdP) would like to thank all those who volunteer to make the pantry successful. We appreciate ALL that you do. Some of our volunteers assist clients on the day of the pantry, some pick up the 2 to 3 thousand pounds of food at the Greater Boston food Bank (GBFB) that we distribute every month. Some transport the food donations from St Julia church to the pantry at St. Joseph church. And some shop for the food we need after all donations and the food received from the GBFB is accounted for. One family picks up donated produce from Land's Sake Farm in Weston and donated bakery goods from Donelan's Supermarket in Lincoln. We appreciate these generous donations.

SVdP is also grateful to those who faithfully donate food. We very much appreciate the food donated by the children during the 9am mass. And thank you very much to those who make monetary donations that help us buy food and to continue the work of SVdP. We thank you all, and ask God to bless you for your dedication to serving our neighbors in need and those neighbors who are hungry.

For more information about SVdP contact Colm McGarry, St Julia Parish Pastoral Minister. If you or someone you know needs food or other assistance call the St Julia Parish office number at 781-899-2611 and leave a message.

## LIVE THE LITURGY

Jesus tells his disciples, "I am sending you like lambs among wolves." Getting people to see the truth about who they are is not always easy or welcomed. Some people want to believe that they have life under control and they do not need any further advice, direction, or challenge from others. Being heralds of the Gospel means doing precisely that. We come with a message that is not always welcome or desired by our sisters and brothers. Yet, it is desperately needed. People need to be reminded of who they are, who God is, and the necessity of repentance for entering the Kingdom of God. It is not about what we want but what God wants. We are called to be peacemakers and laborers for justice and mercy. Are you willing to bring this challenging message to those who may be indifferent or even hostile to hearing it?

## GRADES 1- 6

Well, it's that time of year again. I am looking at the needs of Faith Formation for this coming 2019-2020 season, and realizing that I am in need of Catechists to help pass on the Faith to the youngest among us.

However, I do not intend on "sending you like lambs among wolves"! I will try my best to support you! A schedule of the lessons to be taught is provided, as well as the curriculum manual and students' books. I also include alternative ways to teach each lesson, and provide all materials for these suggestions.

I am also looking for people to help with the events that we hold over the year, especially with the Generations of Faith, and the Grade Level Masses and Family Gatherings. We also always need help with Café Julia!

If you feel that the Lord is calling you to help out with the "harvest", please contact Cindy Harrington at 781-899-8434, or email her at [charrington@stjulia.org](mailto:charrington@stjulia.org). Or stop by the Faith Formation office and chat!

Thanks again for your prayers and support of our recent parish trip to the Dominican Republic.

5 teens, 2 pre-teens and 6 adults traveled with Elizabeth

our NPH guide to the ranch in San Pedro on the south coast of the Dominican Republic. Even though we were close to the MLB teams "farm systems" it was clear that this part of the world had some serious economic challenges.

After an early morning flight on Sunday June 16th we arrived on the ranch by late afternoon. Joelle, a pequeno graduate greeted us and after showing us to our visitors lodging we had a tour of the entire facility, including the clinic and the plans for the new One World Surgery Center. Mitch, a 14 month volunteer from Wisconsin and an agricultural student was delighted to show us the farm. While apples and berries don't grow well in the DR we spent a lot of time with mangoes and papaya. On Monday morning we divided up and worked on the farm with many of the pequenos. After lunch activities included many sports as the pequenos school year had ended. We were fortunate to be present for baccalaureate Mass and Graduation which were important features of the next few days. Doug and Jim used their keyboarding and percussion expertise to interact with the students. Regardless of our fluency in Spanish, it is clear that Music and Sports transcends any language barrier.

As well as participation in the life of the ranch by working on the farm we also had the chance to visit a local sugar plantation and see where people lived who worked for about \$5 per week cutting sugar cane. Conditions were harsh, the weather was hot and unforgiving and this excursion heightened our awareness of the importance of NPH as a resource for children. We also spent a morning at the beach where the water was perfect. As the Feast of Corpus Christi is a national holiday in the Dominican some of us were able to see the local Bishop lead a Procession to the Cathedral in San Pedro. Many of the evenings were spent with the other visitor group (from Italy) sharing stories and songs.

After 5 days we had made many friends on the ranch. While the food was plentiful, most of us found the heat a little challenging, especially at night. We learned a lot on this trip but one takeaway is that the NPH..... Nuestros Pequeños Hermanos (OUR Little Brothers and Sisters) really means so much to me after this trip.
