THE MISSION OF SAINT JULIA PARISH

We, the parishioners of Saint Julia Parish, seek to live our belief in Christ as we worship and serve Him according to His example and teachings. With appreciation of the diverse gifts of our individual members, we strive to gain the participation of each parishioner and work to ensure that everyone feels welcome in our community of faithful. We do this while mindful of God's love for us and the power of His Spirit that makes us holy, heals our brokenness and sustains us in all the good we do. GRAND ANNUAL APPEAL

Dear Friends and Parishioners,

Saint Julia's is celebrating 100 years of faith and our parish needs your help and financial support to secure a vibrant future. Our Catholic faith is largely lived on the local level of the parish community and your contributions provide our parish's only source of income. Saint Julia Parish strives to accomplish our ongoing mission of evangelization with sacramental ministries, faith formation, works of charity and service. This past year, the parish has embraced some new outreach ventures and enhanced other existing ministries. We have teamed with *Nuestros Pequeños Hermanos* (NPH) to transform children's lives in Central and South America and the Caribbean so that they can become productive and self-sufficient members of their communities. We have continued to provide assistance to refugee families seeking legal asylum. Through the efforts of our Faith Formation team we purchased, packaged and delivered some 10,000 simple dried meals for the impoverished population of Burkino Faso, West Africa. Our commitment to the needy in our midst continues through our ministries at Bristol Lodge, Pine Street Inn and contributions to the work of the Saint Vincent de Paul Society and Food Pantry.

Our ministries, parish facilities and charitable outreach depend upon your generosity. The parish's ongoing expenses for maintenance, utilities, salaries, educational and evangelical endeavors are presently not being met by parish collections. The 2019 Fiscal Year ended positively only due to an unexpected bequest of \$60,000 from a parishioner's will. Please help our parish maintain financial stability by generously supporting our Saint Julia Parish 2019 Grand Annual Appeal. Our Budgeted Goal of \$300,000 can only be met if all parishioners participate in some way. We request prayerfully considering a contribution or pledge of \$750.00 with the hope that those who can give more will respond with greater generosity. Donations by means of stocks or bonds will be happily facilitated.

With sincere gratitude,
Fr. Mark Mahoney, Pastor

Did you know...that throughout November, we honor the dead—the Saints, the saints, and all souls? Saints are the people who have been officially declared a Saint by a Pope. We know there are people in heaven who were not officially canonized = we call them saints, with a small s. All others, which is most of the population, are souls. We do not know exactly where they are, but we know that they are very much like us, who had performed little sins daily, so they need our prayers for forgiveness and mercy from God. We hope that when they do get to heaven, they can pray for mercy to be given to us!

How do you become a saint? Zacchaeus is a very good example. He realized his sins, he paid back what he took, and he changed the way he lived—he made more loving choices, not self-centered ones. His actions have caused the Catholic Church to now call him St. Zacchaeus!

What are you doing to become a saint?

Turning Household waste into Renewable Energy

Our Food Waste to Energy Program starts this weekend and will occur every Sunday from 8:45AM until 12Noon. Accepted items: fruit & vegetable scraps; eggshells; stale bread, pasta, rice, grains; coffee grounds/ filters & tea leaves/bags; household flowers.

By partnering with Boston-based SAVE THAT STUFF who embrace the latest technology of turning food waste into renewable energy the young people in our parish (Theo and Nathaniel) who are responsible for this campaign hope to reduce food scrap waste in our refuse. Composting is the most ancient form of recycling and is one response to Pope Francis' call to "Care for our Common Home"

7th and 8th grade classes meet as normal and Confirmation preparation (Session 2) are invited to our "**Greening Your Parish**" conference this afternoon between 2 and 5pm where we will explain more about our food waste to energy program.

In the summer and fall food waste was composted at the Weston Community Garden site where these students recently planted garlic and tended the pumpkin patch.

Please contact Colm at cmcgarry@stjulia.org to gain access via e-mail of photographs of parish events. Prem Menachery has maintained an extensive digital record and parishioners are welcome to peruse and enjoy these wonderful images of community and liturgical events.

Deacon Rafe had assistance from the children of our parish to retell the story Moses holding up the staff.

REMEMBERING OUR LOVED ONES

Eternal rest grant unto them, O Lord, and let perpetual light shine upon them...

November is when we traditionally take time to remember our loved ones who have died. During the month of November, in St. Joseph Church and St. Julia Church, there will be a "Book of Remembrance" for everyone to enter in the names of your deceased loved ones, so we may keep them close in our hearts through prayer.

GENERATIONS OF FAITH

More than 100 children and adults enjoyed our Generations of Faith gathering last Sunday when the pequenos (young people) performed dances with music from 3 different regions of Mexico. These teenagers joined the ranch at NPH Mexico when their parents could no longer provide for them. Their NPH family helps them thrive in all areas of their lives and their amazing talents were wonderful to behold. Their energy and enthusiasm was contagious!!
