THE FEAST OF THE HOLY FAMILY

“Rise, take the child and his mother, flee to Egypt, and stay there until I tell you.” 725 kilometers. That’s the distance on modern roads from Bethlehem to Cairo. Assuming one covered 40km a day on foot — ambitious for two young parents and their infant son — the journey would take well over two weeks. Of course, the Holy Family didn’t have modern roads. They would travel through wilderness, fear bandits, run low on water, and cross the vast Sinai Peninsula in a reverse of their forefathers in Exodus. Here, in struggle and sacrifice, are the beginnings of the forging of the Holy Family.

“Joseph rose and took the child and his mother by night and departed for Egypt. He stayed there until the death of Herod.” Large Jewish communities existed in most major cities of the ancient Mediterranean world, after the collapse of their kingdoms chronicled in the Old Testament, and Joseph could likely find work as a carpenter. All the same, today’s Gospel reminds us that the first formational years of Jesus as a babe-in-arms were spent in a strange land. The members of the Holy Family were foreigners, outsiders, immigrants.

The Word became flesh and dwelt among us. God took on our humanity. He is in solidarity with our own trials and difficulties. On the feast of the Holy Family, we honor the special place of the family within society. We are invited, too, to recall those families who share in the struggles of the Holy Family in a particular way. We pray for immigrants, asylum seekers, and refugees. We pray for all parents who sacrifice their own well-being and comfort so their children may have a better life.

Dear Friends,

Saint Julia's Grand Annual Appeal contributions have now reached a little more than half of our budgeted goal of \$300,000.00. I am very grateful to those who have already responded to help provide for our parish's financial stability. The Grand Annual Appeal constitutes a significant part of the ordinary income necessary for our various ministries, utilities, property maintenance, salaries and evangelization efforts. I encourage all to assist our parish in meeting its fiscal obligations by generously contributing to our Grand Annual Appeal. Copies of our 2019 Financial Report are available at the entrances of our churches. Thank you to all who help and support our parish in so many ways!

With gratitude,
Fr. Mark

LET US REMEMBER.....

"In the thick of the busiest time of year, it is important to remain grounded in why do what we do. We do it because there are people in our community who are hungry. Those people are our neighbors, our family, and our friends. We do it because we don't want any child to go to bed hungry, and we do it for the dignity of the mom or dad struggling to make ends meet."

Taken from an Archdiocesan St. Vincent
de Paul statement.

Did you know... that the Bible does not tell us where in Egypt the Holy Family escaped to, nor do we know the exact age of Jesus when they escaped. We are told by some that he was still a tiny baby, but others say that he may have been as old as two or three. We do not know how old he was when they returned to Israel—he could have been as young as one and as old as six! The Bible did not give us these details, but there are many traditions in Egypt as to where they traveled, where they stayed, and some miracles that took place because of the presence of Jesus. Many churches and monasteries have been built on these locations for people to visit. We do know that the Pyramids of Giza had been built, so the Holy Family would have seen them if they passed nearby. The important part of the story is the way the Holy Family obeyed God in every manner—they followed the commandments, they worshipped God, and they listened for God's Word. Mary obeyed God and said "yes" to being the mother of his son. Joseph obeyed God and became husband and father to Mary and her baby. Joseph obeyed God and brought his wife and child to safety. They obeyed God and returned to Israel when God said that it was time.

POPS AT ITS BEST!!!! See the accompanying photograph of Ann and Bruce Belason who organized the refreshments for the annual Christmas Pops concerts. For many years Nancy Cronin, Bruce and Ann have worked hard to publicize and prepare wonderful desserts for this awesome occasion.

This year St Julia's High school and Middle school students have been so helpful with our parish Thanksgiving Drive , Picnic, SVdP Walkathon, Bristol Lodge, Pine st, Salvation Army Bell Rnging and preparing food packages at the Pantry in Lincoln and we will add this excellent concert to our list of Youth Ministry activities next year. Thank you Ann and Nancy and Bruce for your leadership and guidance.

Social Justice Commission Update

The Social Justice commission will meet on the last Tuesday of each month alternating between Lincoln and Weston. Our next meeting takes place on January 28th at 7pm in the Parish Center Conference Room, St Julia's in Weston.

At our December meeting we highlighted the following:

The Coat Drive for St Francis House this year will also include a request for white socks. Containers will be placed at the back of both Churches in January. (see this week's bulletin)

Efforts will continue to be made to reduce energy waste, especially at St Joseph's in Lincoln where the process of replacing older inefficient windows and fixtures continues.

Successful Social Justice efforts often requires working with interfaith groups. In the past St Julia's partnered with other Churches to renovate homes in low income areas of Boston <https://www.rebuildingtogetherboston.org/>

This work can continue with **Massachusetts Coalition to Prevent Gun Violence** <macopgv@gmail.com>

Our group also spoke about the importance of the recent Papal statement against the use of the death penalty and the role of groups like Catholic Mobilizing Network as they seek to prevent the reinstatement of federal executions. <https://catholicismobilizing.org/>

There is more work to be done and we need help prioritizing parish concerns. Please consider joining us January 28th

Pope Francis said in *Evangelii Gaudium*, "realities are more important than ideas" (2013). Catholic Social Justice is informed by the prophetic challenge offered by the experience of those suffering from injustice: women, communities of color, the economically exploited, and all whose dignity is denied by unjust systems and structures.

THE ANNUAL ST. FRANCIS HOUSE CLOTHING DRIVE

This annual event will begin next Weekend. If a new winter coat was on your Christmas list, and you were lucky enough to receive a new coat, consider donating your used coat to our drive.

ALSO, WHITE SOCKS ARE A MUCH NEEDED ITEM.

More details will be available in the bulletin and on the parish website. Drop-off bins will be located in both churches.

The Annual St. Francis House Coat Drive is sponsored by the Social Justice Commission.

FIRST SATURDAY DEVOTION—January 4th: 8AM Mass in St. Julia Church, Litany + Rosary, Movie and Refreshments in the Parish Center Conference Room. This year we will be showing the movie, "Fatima: A Message of Hope " 100th Anniversary Special Edition. All are welcome. Contact Carol Wells for more information. 617-538-4610.
